WORKSHOP INVITATION

February 7th 2012, Halifax Regional Municipality, Nova Scotia

What: *On the Move* is CAAWS' national initiative to increase opportunities for inactive girls and young women to participate in sport and physical activity. CAAWS' ***Newcomer On the Move*** project, with support from Citizenship and Immigration Canada, is designed to address disparities in the availability and utilization of physical activity and sport opportunities for newcomer girls and young women (those living in Canada five years or less). CAAWS is excited to partner with **Active Halifax Communities** to support a ***Newcomer On the Move*** program in the **Halifax Regional Municipality**.

During this interactive, issue-based *Newcomer On the Move* Workshop, participants will:

- ☑ Learn about *On the Move*, *Newcomer On the Move*, and other programs and resources available from the Canadian Association for the Advancement of Women and Sport and Physical Activity (CAAWS).
- ☑ Discuss the value of sport and physical activity for newcomer girls and young women, and the barriers they confront to their participation.
- ☑ Hear about best practices, successes and challenges from your community, and others across the country.
- ☑ Gather practical tips and program ideas to engage inactive newcomer girls and young women and create positive programs that support their participation.
- ☑ Network with individuals and community organizations, and learn more about opportunities to be involved with the *Newcomer On the Move* Advisory Committee, supported by *Active Halifax Communities*.
