

Revolutions for Women

The Minister for Sport and Recreation and the project partners welcome female cyclists of all ages to attend the launch of *Revolutions for Women* - a celebration of women and cycling and the Geelong UCI Women's Road Cycling World Cup.

Revolutions for Women - evaluating initiatives for increasing women's participation in cycling, is a 3-year research project funded by the Victorian Government and undertaken by Deakin University's School of Health Sciences. Supporters of the project include the Cycling Promotion Fund, Bicycle Victoria, CycleSports Victoria and the Victorian Local Government Association. The launch is supported by the organising committee for the Geelong UCI Women's Road Cycling World Cup.
